

AMERICAN DERMATOLOGICAL ASSOCIATION 2024 RESIDENT RESEARCH AWARD APPLICATION - DEADLINE April 1, 2024

This is the highest honor the ADA bestows on dermatologists in residency or fellowship training. The award is meant to stimulate research in areas of dermatology that have not been targeted with vigor in the past: **1) highlight the role of dermatology in the “house of medicine” or 2) issues that could lead to the marginalization of dermatology. Applications are due by May 1st, 2024.**

- The awardees will receive a monetary grant of \$500
- The cost of meeting attendance, along with hotel accommodations, travel expenses and meals will be paid for by the ADA
- Residents or fellows in training at the time of abstract submission are eligible
- Research may be presented elsewhere or submitted for publication but the selection committee

(Please print or type)

1. Project Title _____

2. Name of applicant _____

3. Current mailing address of applicant

Telephone: _____

Email: _____

4. ACGME Dermatology Residency program (Must be an ACGME accredited residency program) _____

5. Date of birth ___/___/___ I am a citizen of U.S. _____ Canada _____

6. Attach a copy of your CV highlighting up to 5 publications:

**Complete all requirements and return application by April 1, 2024 to:
American Dermatological Association, Inc.
ameriderm1930@gmail.com**

7. Name of advisor _____

Department/Laboratory _____

Medical School/Hospital _____

Address: _____

Telephone: _____ Email: _____

8. Name of department chairperson or division director: _____

Address: _____

9. Time period of reported investigation:

From _____ To _____

month, day, year

month, day, year

10. **Description of the investigation, study, or observation:** (Abstract should not exceed 500 words.)

Research must address one of the following subjects and MUST be completed at the time the application is submitted. To be considered for this award, the topic of your project should be related to novel studies involving:

1) The integral nature of dermatology to the “house of medicine”. The ADA is especially interested in research that highlights the collaboration of dermatology and other medical disciplines that advances healthcare for our patients.

OR

**Complete all requirements and return application by April 1, 2024 to:
American Dermatological Association, Inc.
ameriderm1930@gmail.com**

2) Issues and matters that could lead to the marginalization of dermatology. This research should highlight issues that limit the ability of dermatologists to participate in the decision-making process involving a) healthcare systems including private insurers, Centers for Medicare and Medicaid Services (CMS) and other payers or b) in favor of other medical specialties.

11. Does this project involve human or animal subjects? yes no

If yes, provide the date and proof of IRB approval. _____

12. Are there any actual or potential commercial conflicts of interest?

Yes No

If yes, please describe below and discuss the mitigation of your conflict in your presentation.

13. **Applicant's verification**
